

CALL FOR THE AWARD OF MOBILITY SCHOLARSHIPS FOR STUDY PURPOSES

ACADEMIC YEAR 2020/2021 Courses of the Pharmacy Area

Prerequisites and selection Criteria

Students who intend to compete for the award of a scholarship in the Pharmacy Area must fulfil the following prerequisites:

- Minimum average (in absolute terms) 24/30
- Ratio between CFUs [university credits] gained and the total number of CFUs in the study plan of 30% or more

The criteria used to draw up a single ranking are set out below:

- study curriculum: score equal to average mark (calculated in the application or recalculated based on self-certification);
- certified linguistic knowledge: aforesaid score increased by 1, 1.5 or 2 points respectively for sufficient, good or excellent knowledge.
- purposes of the period of study abroad: score increased by 0.5, 1 or 1.5 based on compatibility with the teaching offered by the foreign establishment if is considered adequate, good or excellent respectively.

The score obtained by each student will be increased by a certain percentage based on the personal reasons verified during the interview, particularly the statements made by the student in the application.
