In order to attend the admission test, according to law n. 104/1992, the undersigned requires the following disability aids:

Specify any disabilities:

indica disabilità
At this stage it is possible to change the already registered e-mail address. Please, enter the address you check most frequently.

You have to fill in all the blanks about residence, telephone number and mobile number.
If your place of residence corresponds to your contact address, you can copy all the data by clicking the “copy” button.

If the contact address where all the messages from the University will be sent does not correspond to that of residence, you have to fill in all the concerning blanks.
Select your University qualification.
State if your qualification is Italian or from a foreign country.

You can submit your application even if you're not graduated yet, as long as you'll graduate by the 31st October 2017.
Click on the "Search" button to search the University.
To enter the University where you obtained your degree, you can search it even just with the name of the city.
Select and click on "Select and Continue".
The name of the University will appear here after you've selected it.
Select your qualification, and click on “Search”.
Search the Degree and choose one. Then click on “Select and Continue”.
Insert the remaining information, and click on “Save the entered data”.
Select your course.
After that, you will be able to see the available curricula. Select the curriculum and click on the “Forward” button.
State the level of knowledge of the language, if required.

Enter the data of the referents that will provide the letter(s) of introduction, if required.

Select the research theme of the curriculum you have chosen, if required.

Then save the data to continue with the attachment of the required documents.
Select the document type requested, then browse the location of each file and click “SAVE” in order to attach it.

Once you’ve uploaded all the required files, click on the “forward” button.

P.S. The documents must be in PDF format and cannot be larger than 2 Megabytes.
Check the documents and the data you entered, since it will not be possible to modify them after the confirmation.

All the attached documents will appear in the area “Documents saved”. You can control the saved documents before you continue with the registration. If you made a mistake, it is possible to modify the files at this stage.
Read all the terms and conditions and select the “confirm” boxes.

You can confirm immediately or later. Applications must be confirmed by 12 (Italian time) of 13/06/2017 under penalty of exclusion.
After the confirmation of the application, you are asked to answer anonymously some questions for the purposes of service improvement.
Finally you will see the confirmation of the success of the registration.
